**NARRATIVE:**

Puig, has an extensive adult criminal history that began at the age of 19. His convictions include battery, assault with a deadly weapon, grand theft auto, battery on ex-spouse, receiving known stolen property, possession of narcotics, forgery, false impersonation to commit credit card fraud, theft of personal property, theft of elder, identity theft, grand theft, petty theft with priors, possession of false identification, and failing to report for supervision. He has served multiple state prison terms, the longest, 9 years, for grand theft auto. Puig was released from state prison to the supervision of the Los Angeles County Probation Department on April 12th, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in April 2014 after he absconded from post release community supervision (PRCS). Puig qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for false impersonation to commit credit card fraud is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
